The Augusta Area Military Association (AAMA) was organized to promote camaraderie among those with a military background – both retired and active of all services. In addition AAMA has supported a variety of organizations and projects and continues to do so as much as possible. Among some of the organization and projects are: Maine National Guard Family Support Program, The Adjutant General's Fund, Family Foundation Fund, Maine Select Honor Guard, JFHQ: Detachment Christmas Party, Maine Boys and Girls State, Salvation Army Thanksgiving, MENG Youth Camp, Maine Historical Society, Grants for youth education programs, and Augusta Dare, to name a few.

To support these programs we will host our 8<sup>th</sup> Annual Golf Tournament at the Western View Golf Course on 26 June 2011 at 1:00 pm. We are seeking corporate sponsors and individual contributions from the business community, and we are asking sponsorships at two levels: \$50 and \$100. In return we will place a sign with your name and motto (if applicable) on one of the holes.

We hope that you will consider sponsoring a hole this year, as this helps us to continue to help others. If one of our members has already approached you, please disregard this letter. Thank you so much for your consideration.
